THE DESPERATE DAN REPRINTS 1969 - 1983

After the death of Dudley Watkins in August 1969 original strips continued to appear until DANDY No.1454 (4.10.69) after which the major reprinting of strips began. For some reason no strips prior to 1960 were reprinted in this fourteen year period making it necessary for some strips from the 1960 - 1969 period being reprinted twice. Occasional new strips by other artists also appeared during this time, and these have also been noted. Artist identification: CG = Charles Grigg, BH = Bill Holroyd.
